

Covid-19 Health & Safety Guidelines

You are most welcome to join us at The Orchard Inn and/or Newman's Restaurant to enjoy open spaces, fresh air, good food, and impeccable service that follows Covid-19 guidelines for health and safety. A place to retreat in comfort and beauty.

Newman's is now open for **indoor and outdoor** dining with limited capacities and strict **cleanliness, health and safety precautions** in place. Reservations are required. Additionally, we have **taken the extra steps to be consistent with CDC and WHO guidelines**. (If you would like a copy of these guidelines, we would be happy to provide you with one).

So that we may best serve those who choose to join us please understand that we will cap the number of people at Newman's at any given time. We have removed 50% of the tables in our dining room and established very comfortable and lovely alternative dining areas on our covered front porch and open air back terrace to compensate. Additionally, we will limit tables and seating groups to a maximum of 6 guests, including children, unless everyone lives at the same address. We have expanded our hours for dinner and brunch to spread out the number of folks dining at one time. (5:30pm-8:30pm for dinner Thursday-Saturday; 11:30pm-1:45pm for brunch on Sundays)

Our accommodations are thoroughly cleaned, disinfected, and inspected from top to bottom prior to each guest entering daily. Please note: Temperatures of all staff are checked daily. We also all wear masks, use hand sanitizer and wash hands frequently. We also use a UV sanitizer for things frequently touched.

Please be advised that both The Orchard Inn and Newman's Restaurant is actively enforcing physical distancing. To help us maintain a safe environment, we insist that guests, staff and vendors take the following precautions: *

- If you're experiencing fever, persistent cough or any symptoms related to COVID-19, you are prohibited from entering the restaurant.
- Wear a mask at all times unless you are in your private inn room, at a table dining, or alone outside.
- Maintain at least 6-feet between yourself and others.
- Refrain from handshaking and direct personal contact.
- Always use a cloth or tissue to cover your mouth and nose when you cough or sneeze.
- Wash your hands with increased frequency.

We sincerely appreciate your understanding that The Orchard Inn/Newman's Restaurant experience may temporarily look and feel different as we navigate through this "new normal." Thank you for your continued support of our family owned and locally operated inn and restaurant. We look forward to welcoming you (back) here soon. Until then, we wish you and yours good health.

* If you, or anyone in your dining party, are unwilling to adhere to these policies and procedures, we reserve the right to refuse service.
